

HEAL Membership Application Form

Founded in 2003, the [Health and Environment Alliance \(HEAL\)](#) is a leading European not-for-profit organisation addressing how the environment affects health in the European Union (EU). HEAL works to shape laws and policies that promote planetary and human health and protect those most affected by pollution, and raise awareness on the benefits of environmental action for health.

Who may join HEAL?

Membership to HEAL is open to non-governmental organisations and other not-for-profit organisations and professional bodies, whether local, regional, national, European or international, based in a country of the WHO European region. Applicants must be legally constituted pursuant to the laws and customs of their country of origin; have non profit-making purpose; and be independent of governments, political parties and commercial interests.

Two types of membership categories exist:

1. Full members NGO: Non-governmental organisations for which environment and health links are a major area of interest. Full members NGO have two votes at the Annual General Assembly.
2. Full members NPO: Other not-for-profit organisations and professional bodies, such as educational and academic institutions; professional associations; statutory and non-statutory environment or health agencies; and regional, city and local authorities. Associate members NPO have one vote at the Annual General Assembly.

Membership fee

The standard HEAL membership fee is €300 per year for both membership categories. Organisations based in central and eastern European countries that are not EU Member States, are exempted from paying an annual membership fee.
